To Whom It May Concern,

**LETTER OF RECOMMENDATION: Buffalo Gorge**

Buffalo Gorge is truly an up and coming leader in the adventure tourism industry in the Middelburg, Mpumalanga area. Ryk and his team know just how to make a group of strangers feel truly welcome and relaxed, whilst ensuring that adrenalin is pumped throughout their veins while doing the intense 50 meter abseil under professional and safe supervision.

Ryk and his team left the Samancor Middelburg Ferrochrome shop stewards and members of the management team with an experience not easily forgotten. It has been an experience the Samancor Middelburg Ferrochrome team can honestly recommend to each and every interested adrenalin seeker.

Kind Regards,

We refer to our year end function held on the 11<sup>th</sup> November 2006 at Buffalo Gorge and hereby wish to extend our sincere gratitude for the wonderful experience at your gorge and the warm welcome received.

The 50m abseil was definitely the highlight of the day and was enjoyed tremendously by all staff members. The scenery was breathtaking and a true reflection of nature at its best.

Buffalo Gorge comes highly recommended by Jeffares & Green and we look forward to another exciting adventure with you in the future.

Thank you.
